English - elementary level
Ukrainian - Native

SUMMARY

I have a good understanding of the software development process and life cycle, as well as a solid knowledge of the Python language and techniques. I am a fast learner with strong analytical skills, and I enjoy working in a team. I am determined and decisive. I have an understanding of object-oriented programming (OOP) and web application development. I have experience using Django and Flask. I am familiar with SQL (SQLite, PostgreSQL) and noSQL (Redis, MongoDB). Our collaboration can be beneficial and productive!
